120° / 40°	-10C° to +40C°	IP54	64x39 x40 mm	52g	

SIMPLE AND EFFECTIVE HEADLAMP

The FP400 K-Light headlamp is equipped with powerful COB LED technology, which ensures perfect and efficient illumination of the work area.

Thanks to its SENSOR function, it can be switched on/off with a simple double hand gesture in front of the lamp to avoid unintentional activation.

You can activate the lamp with gloves on and avoid touching the power button with dirty hands.

It offers multiple light and brightness modes, produces up to 400 lumens, and offers up to 12 hours of run time.

Our FP400 K-Light is stylish, waterproof (IP54), and very light.

The lamp head can be detached from the holder. A magnet is also integrated in the back of the lamp.

Its ergonomic design, aluminum front housing and non-slip headband, offers a comfortable positioning.

TECHNICAL SPECIFICATIONS

- Light source : COB LED
- Lumens : 90-400
- Power: 93 lm/w
- Lux@0,5m : 8800
- Power adjustment : 3 levels
- Power supply : 3 AAA 1.5V Alkaline batteries
- Angle : 120° / 40°
- Battery life : 1 to 12h depending on mode
- Protection class : IP54
- Operating temperature: -10° to +40°C
- Dimensions : 64 x 39 x 40 mm
- Weight: 52 g (without headband)
- Warranty: 3 years
