

FR1000 - K-Light

**POWERFUL LED HEADLAMP
1000 LUMENS / RECHARGEABLE**

PR41-FR1000

ULTRA POWERFUL LED HEADLAMP

The FR1000 K-Light headlamp is equipped with the powerful COB LED technology that ensures perfect and efficient lighting of the work area. Thanks to its SENSOR function, it can be turned on/off with a simple double hand gesture in front of the lamp to avoid involuntary activation. You can activate the lamp with gloves on and avoid touching the power button with dirty hands.

It offers several lighting and brightness modes, and produces up to 1000 lumens. It offers a battery life up to 8 hours thanks to its Lithium-ion 2600 mAh battery.

Our FR1000 K-Light is stylish and waterproof (IP54).

The lamp head can be detached from the holder. A magnet is also integrated at the back of the lamp.

Its ergonomic design, aluminum front housing, and non-slip headband provide comfortable positioning.

TECHNICAL SPECIFICATIONS

- Light source : COB LED
- Lumens : 250-1000
- Power: 93 lm/w
- Lux@0,5m : 450-13200
- Power adjustment : 3 levels
- Angle : 120° / 40°
- Battery life : : 3 to 8h depending mode
- Battery type : 3.7V 2600 mAh Lithium-Ion
- Charging time : 4h
- Protection class : IP54
- Operating temperature: -10° to +40°C
- Dimensions : 82x 41 x 53.3 mm
- Weight: 129 g (without headband)
- Warranty: 3 years
